## **DISCLOSURE STATEMENT & INFORMED CONSENT**

### **I. Education, Training, Experience**

I received a Bachelor's of Arts in Psychology in 2003 from Anderson University (Anderson, IN). For the following two years, I worked with the Center for Mental Health (Anderson, IN) as a case manager in Community Support Services. I primarily served persons with chronic and persistent mental illnesses and obtained certification as a Qualified Mental Health Professional (QMHP). I then completed a Masters of Arts in Counseling Psychology from Mars Hill Graduate School (Seattle, WA) in 2007 where my professional training was paired with a supervised internship at Northwest University's (Kirkland, WA) student counseling center. Upon completing my graduate training, I returned to central Indiana where I first worked as a therapist in an intensive treatment center for adolescents with substance abuse problems and their families. I joined Family Counseling Associates in August of 2008 and I offer counseling services to individuals, couples, and families for a variety of needs and problems. I am a licensed mental health counselor (LMHC) in the state of Indiana.

### **II. Counseling Orientation**

My conceptual approach to counseling involves various influences including object-relations theory, attachment theory, dynamic psychology, systems theory, and a Christian worldview. My style of counseling is integrative, including elements of psychodynamic, interpersonal, narrative, experiential, and cognitive-behavioral therapy, and I will always seek the best match between counseling style and your counseling needs. Most importantly, I will seek to create an opportunity for you to safely explore whatever is of concern to you in an open and authentic way. My goals for counseling with all persons is a strengthened sense of self, more enriched relationships, and a courage to embrace the freedom life offers. Essential to the accomplishment of these goals will be our *collaboration* throughout the course of counseling together.

Family Counseling Associates is a Christ-centered professional counseling group. As a counselor, I seek to meet you just where you are in your own spiritual journey and will allow you to determine how your own faith and spirituality is integrated into the counseling practice.

### **III. Scheduling Sessions**

An initial session can be scheduled by calling the Family Counseling Associates main office at 317-585-1060. Additional sessions are generally scheduled on a regular, weekly basis and are not

limited to any particular number of sessions or course of time. However, it is your responsibility to confirm and/or reschedule your next session.

#### **IV. Fees and Insurance Information**

The fee for counseling will be \$150 for the first session and \$125 for all 50 minute sessions following. Payments are to be made at each session via cash, personal check, or with authorized credit card. For persons unable to afford the fee for counseling, a reduced fee can be negotiated. Fees may increase periodically and any change in fees will be communicated with two weeks prior notification.

Please note: Sessions cancelled within less than 24 hours will also be charged a \$50 cancellation fee (illnesses and emergencies are exceptions).

The fee to produce records is \$25.00.

The fee to appear in court as a witness is \$200.00/hour. A service event of this kind may also include preparation fees of \$125/hour and a travel fee of \$0.53/mile.

If you choose to use your health insurance coverage to help cover my services, please know that it is a contract between you and the insurance company. As a service to you, our office will bill insurance companies and other third-party payers, but cannot guarantee such benefits or the amounts covered, and is not responsible for the collection of those payments. In some cases insurance companies may consider certain services as not reasonable or necessary, or may determine that services are not covered. In such cases the client, responsible party and/or insurance policy holder is responsible for payment of these services. We charge our clients the usual and customary rates for the area. Clients are responsible for payments regardless of any insurance company's arbitrary determination of usual and customary rates.

The client, responsible party, and/or insurance policy holder is responsible for paying funds not paid by the insurance company or third-party payers after 60 days. Payments not received after 90 days are subject to collection. A 1.5% per month interest rate is charged for accounts over 60 days.

Insurance deductibles and co-payments are due at the time of service. All insurance benefits will be assigned to this clinic unless the account balance is paid in its entirety each session. Clients are responsible for payments at the time of service. The adult accompanying a minor is responsible for payment for the child at the time of service. Reimbursements to client will be made only after all outstanding debt for the client and all family members is paid.

#### **V. Choice of Provider**

It is your right to select a counselor or therapist of your choice and you may terminate counseling with me at any time. I recommend one final session upon termination to reflect on our experience together and address any future concerns.
